

**Practice Development Event**  
**1 May 2012**  
**Allerton Court Hotel, Northallerton**

**AGENDA**

**Aims for the session**

- Update on key CCG development
- To introduce new appointments in relation to end of life care. This would include Dr Louisa Quinn our new Palliative Care Specialty Doctor (during lunch), and Debbie Ashcroft and Hilary Enevoldson (Macmillan GPs)
- Up-date on end of life care, including changes which GP's should be aware of regarding medication, and cancer, focusing on early diagnosis indicators
- To introduce GPs to the commissioning issues relating to dermatology as part of assuring the involvement of all practices in the commissioning process
- To provide education for GPs and practice nurses on the new guidelines and pathways covering dermatology
